

TITLE VI Complaint Procedure for Heard County Transit

Any person who believes he or she has been discriminated against on the basis of race, color or national origin by Heard County Transit may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form (refer to Appendix E). Heard County Transit investigates complaints received no more than 180 days after the alleged incident. Heard County Transit will process complaints that are complete.

Once the complaint is received, Heard County Transit will review it to determine if our office has jurisdiction. The complainant will receive an acknowledgement letter informing him/her whether the complaint will be investigated by our office.

Heard County Transit has ninety (90) days to investigate the complaint. If more information is needed to resolve the case, Heard County Transit may contact the complainant. The complainant has ten (10) business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within ten (10) business days, Heard County Transit can administratively close the case. A case can also be administratively closed if the complainant no longer wishes to pursue their case.

After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. A LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has seven (7) days to do so from the time he/she receives the closure letter or the LOF.
